## Wunderlich R nineT »/5«

### R nineT Racer as Sports bike, Seventies style

We refined the brand new R nineT /5 with noble Wunderlich details: This includes the lined »DAYTONA« cockpit fairing, the matching rear fender, which in principle corresponds visually to the tail modification of our WunderBob, the matching number plate holder, our footrest system for the R nineT, the »9T-VARIO«, engine protection, Wunderlich suspension and much more ...
